

Too Hungry to Quit: 5 Steps to Start with \$0

INTRO:

You dont need money. You need hunger.

This is how you start *with nothing but Wi-Fi and willpower*.

STEP 1: Pick a Skill That Pays

Dont chase money chase *leverage*.

Start learning skills like:

- Video editing (CapCut, Premiere Pro)
- Copywriting
- TikTok/YT repurposing
- Canva & basic design

Use YouTube and free courses. No excuses. Just action.

STEP 2: Build a Page, Not a Persona

Make a TikTok / IG / YouTube account.

Dont post trends. Post *transformation*.

Document what youre learning.

Be the student *and* the teacher.

STEP 3: DM People Like a Human

Reach out like this:

"Yo, Im 18 learning [SKILL], and Im hungry. Can I test something out for you free?"

Send 20 DMs a day. Dont beg offer value.

STEP 4: Get 1 Win Then Show It

Your first free client = your first proof.

Turn it into content. Screenshot everything.

Proof is currency.

STEP 5: Repeat, Stack, Pivot

Consistency > strategy at the beginning.

Keep going for 30 days.

Hit 10K views or \$10 profit? Double down.
